Doesn't hurt a bit! Sore corns

lift right off with fingers.

Magic!

Costs few cents! Drop a little Frezzone on that tough corn, instantly that corn stops hurting, then you lift it right off with the fingers. Why wait? Your druggist sells a tiny bottle of Frezzone for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without soreness or irritation. Frezzone is the much talked of discovery of the Cincinnati genius—adv.

MATERIAL DISCUSSION TUESDAY P. M.

According to a notice issued from the office of Mayor W. F. Hodges of Gary, yesterday morning, Tuesday evening, June 15, is the date set for the discussion as to the kind of material to be used in repaving Broadway between the Wabash and Pennsylvania tracks. At this meeting every property owner affected by the improvement are asked to attend and voice their opinion.

EXECUTIVE DEPARTMENT

City of Gary, Ind., June 9, 1920. To the property owners on Broadway between the Wabash tracks and the Pennsylvania railroads—There has been a great deal of propaganda on the type of street improvement to be used on Broadway between the Wabash and the Pennsylvania railroads. The City authorities as yet have not decided even in their own minds just what type of improvement should be used. First, cost should not be a controlling item in making improvements, but it is certainly an item which should be considered. This cost cannot be determined until after Monday morning, June 14, when bids will be received and opened by the Board of Works. The city authorities request that every property owner affected by this improvement meet in the council chambers here, City Hall, June 15, at eight p. m. At this meeting the members of the Board of Works will be glad to discuss the kind of improvement to be made.

Respectfully,
WILLIAM F. HODGES, Mayor.

PAINS NEARLY DOUBLED ME UP

Nothing Helped Me Until I Took Lydia E. Pinkham's Vegetable Compound.

Wyandotte, Mich.—"For the last four years I have doctored off and on with all kinds of help. I have had pains every month so bad that I would nearly double up. Sometimes I could not sweep a room without stopping to rest, and everything I ate upset my stomach. Three years ago I lost a child and suffered so badly that I was out of my head at times. My bowels did not move for days and I could not eat without suffering. The doctor could not help me and one day I told my husband that I could not stand the pain any longer and sent him to the drug-store to get me a bottle of Lydia E. Pinkham's Vegetable Compound and threw the doctor's medicine away. After taking three bottles of Vegetable Compound and using two bottles of Lydia E. Pinkham's Sanative Wash I could do my own housework. If it had not been for your medicine I don't know where I would be today and I am never without a bottle of it in the house. You may publish this if you like that it may help some other woman."—Mrs. MARY STENDER, 120 Orange St., Wyandotte, Mich.

COLUMBIA RECORDS COVER BIG FIELD

June Releases Range All the Way from Grand Operas to Jigs.

There are more than a dozen distinct varieties of the Columbia Records, released this month. The first is a Grand Opera aria by Maria Barrientos. This great soprano sings "Omeria Leggera," the charming and ethereal "Shadow Song" from Meyerbeer's Dinorah.

The second variety consists of simple songs by great singers. Lucy Gates Records this month. Al Jolson sings

has made Columbia Records of two sweet lullabies this month. In "Baby Mine" she thrills you with all the awakened hope and anticipation of the mother whose husband is coming back from abroad. "Mammy's Song" is a cunning lullaby crooned to a little pickaninny.

"The Want of You" and "I Know a Lovely Garden" are two love ballads made truly great by Louis Graveure's magnificent baritone. He has a real gift of interpretation and his singing of these two songs is impressive.

POPULAR SONG HITS

This is one third variety of Columbia songs by great singers. Lucy Gates Records this month. Al Jolson sings

a song to his dashing Spanish sweetheart, and Al Jolson in Spain is the funniest Al that has made a Columbia Record yet. In "That Wonderful Kid from Madrid" this popular Sinbad star turns loose and tries to sing in Spanish with uproarious results. Coupled with Jack Kaufman's convivial tenor solo, "I'll See You in C-U-B-A."

Campbell and Burr's harmonious tenor duet tells of a pickaninny's dreams of the days with his old black mammy in the Sunny South of long ago. On

the other side of this record Henry Burr sings as a solo "Rose of Virginia" a Southern love song with an alluring melody.

Boiling Tin Cans.

After trying many other processes of recovering tin from old cans, there is now, according to La Nature, a return to the old-fashioned method of boiling the scraps (well cleaned) in a solution containing an excess of free alkali and saltpeter. The tin is recovered as crystals of stannate of soda, and the alkali and saltpeter can be used over and over again.
